

Online Payments Setup Process

To set up a new community or company for Online Payments, you must first provide some information to the DuesPayment team.

1. Go to DuesPayment.com/AtHomeNet
2. Complete the necessary documentation and send it into DuesPayment.
3. The DuesPayment team will set up the community or company and activate the Online Payment service.
4. The DuesPayment team will contact AtHomeNet directly once the service is active.
5. AtHomeNet will add "Online Payment" links to any appropriate websites.

This process usually takes 7-10 business days from the time that documentation is submitted to DuesPayment.
